APPEARANCES:

BY: RICHARD D. KIRK, ESQ.

Counsel for the Plaintiff

1 All right. With regard to motions,
2 there's a number of motions. Let me start with
3 the motions in limine. That might be a good
4 place.

5 Motions in limine. Docket Item 227
6 is denied.

7 Docket Item 228 is granted.

8 Docket Item 229 is denied.

9 Docket Item 230 is denied.

10 Docket Item 231 is denied.

11 Docket Item 295, which, in essence,
12 amends Docket Item 232, is granted.

13 Docket Item 233 is denied.

14 I'm going to reserve judgment with
15 regard to Docket Item 285, 289, 292, and 304.

16 The reason being, some of them aren't finished
17 with the filings of the ones I just mentioned.

18 Docket Item 291, although it falls
19 in that category, I only have the opening motion.

20 I'm going to deny it because it's a motion in
21 limine that defendant's requesting that the
22 plaintiffs not be able to go outside their expert
23 report. And my practice is that that application
24 is made post-trial.

1 be that they will comply with the agreement you
2 have about specific designations. In other
3 words, they kind of, like, come together.

4 Right now you're cross designating
5 and designating. There's a cutoff, July 15th,
6 when your agreement as to designations and cross
7 designations is going to run head on into the
8 witness list.

9 You still have your agreement.
10 That's what's going to provide you with the
11 designations. And then there's going to be a
12 witness list.

13 So the witness list won't have the
14 specific designations, but they will have had to
15 have done that to get you a witness list. If
16 they haven't, then you'll ask me.

17 There's two separate processes of
18 work --

19 MS. GABLER: Right.

20 THE COURT: -- and they're going to
21 collide on July 15th for the plaintiff, and for
22 you on July 17th. If it doesn't collide, call
23 me.

24 MS. GABLER: Great.

1 THE COURT: And I'll make sure a
2 collision occurs.

3 MS. GABLER: All right, then.

4 THE COURT: I mean, it's that
5 simple.

6 MS. GABLER: Okay. And then our
7 final issue --

8 THE COURT: Because what I'll do to
9 make it clear to you, then I'll order what you
10 ask me for today. But why would I do it today,
11 because the process hasn't unraveled, and you're
12 still rolling along.

13 And I think that that 15th date is
14 going to be where it comes together.

15 MS. GABLER: Okay. We hope so, too.

16 Our final issue has to do with one
17 of the members of the McKenna Long team that's
18 been identified as trial counsel in the joint
19 pretrial statement.

20 Mr. Song Jung is a partner with
21 McKenna Long's Washington D.C. office, and he is
22 also the lead prosecuting lawyer in the United
23 States for LPL in terms of its pending patent
24 applications before the U.S. PTO.

DEPONENT NAME: SCOTT HOLMBERG

LPL Designation (Holmberg)	Objection(s)
7:6-7:7	No objection.
26:3-29:5	CPT objects to 26:15-29:5 because witness testified in this answer by referring to and relying on two drawings, Holmberg deposition exhibits 101-102, that were late produced (<i>see trans.</i> , 29:7-29:14) It is clear, particularly in the video tape of this deposition, that witness was relying on and referring to the excluded documents to give this testimony). The Court has excluded LPL from using such document at trial.
29:13-30:21	Same objection as CPT's objection above to 26:3-29:5. CPT objects because witness testified in this answer by referring to and relying on two drawings, Holmberg deposition exhibits 101-102, that were late produced (<i>see trans.</i> , 29:7-29:14) It is clear, particularly in the video tape of this deposition, that witness was relying on and referring to the excluded documents to give this testimony). The Court has excluded LPL from using such document at trial.
33:8-33:10	No objection.
33:12-33:24	No objection.
34:1-34:7	No objection.
36:4-36:14 36:19-37:14	Same objection as CPT's objection above to 26:3-29:5. CPT objects because witness testified in this answer "as I mentioned" referring to and relying on two drawings, Holmberg deposition exhibits 101-102, that were late produced (<i>see trans.</i> , 29:7-29:14) This testimony is based on late produced documents that the Court excluded LPL from using at trial.
38:14-38:21 38:22-39:25	Same objection as CPT's objection above to 26:3-29:5. CPT objects because witness testified in this answer "as I mentioned" referring to and relying on two drawings, Holmberg deposition exhibits 101-102, that were late produced (<i>see trans.</i> , 29:7-29:14) This testimony is based on late produced documents that the Court excluded LPL from using at trial.

LPL Designation (Holmberg)	Objection(s)
40:2-40 :22	No objection.
63:6-63:17	<p>Same objection as CPT's objection above to 26:3-29:5. Uncorroborated testimony of inventor to prove date of conception is legally insufficient and should be excluded from trial, including under FRE 401, 402 and 403 as prejudicial. Jury cannot as a matter of law find that inventor conceived based solely on inventor's uncorroborated testimony of the date of conception. Here, the Court has precluded LPL from introducing the only other potentially corroborative evidence, which were late produced documents.</p> <p>In addition, CPT asserts same objection as objection stated above to LPL's designation of deposition trans. 26:3-29:5. CPT objects because witness here testified "like I stated earlier" referring to and relying on two drawings, Holmberg deposition exhibits 101-102, that were late produced (<i>see</i> trans., 29:7-29:14) and the Court has excluded use of such documents at trial.</p>
70:2-70:24	No objection.
173:15-173:15	No objection.
173:18-174:2	No objection.
180 :13-181:1	<p>Testimony re hearsay and unauthenticated documents exhibits 109 and 110. No sponsoring witness to establish foundation o overcome hearsay objection for admission of deposition exhibits 109 or 110.</p> <p>Relevance, prejudice.</p>
181:3-181:5	<p>Testimony re hearsay and unauthenticated documents exhibits 109 and 110. No sponsoring witness to establish foundation o overcome hearsay objection for admission of deposition exhibits 109 or 110.</p> <p>Relevance; prejudice.</p>
181:7-181:13	<p>Testimony re hearsay and unauthenticated documents exhibits 109 and 110. No sponsoring witness to establish foundation o overcome hearsay objection for admission of deposition exhibits 109 or 110.</p> <p>Relevance; prejudice.</p>
183: 15-183 :22	<p>Testimony re hearsay and unauthenticated documents exhibits 109 and 110. No sponsoring witness to establish foundation o overcome hearsay objection for admission of deposition exhibits 109 or 110.</p> <p>Relevance; prejudice.</p>
307:5-307:19	Foundation; testifying not from memory, rather from relying on late produced document, Holmberg deposition exhibits
